

ProteoCure 3rd Annual Meeting

Excursions 08.05.2024

Option #1: Guided tour of the POLIN Museum

Costs: 67 PLN (around 16 EUR)

The Polin Museum was inaugurated on April 19, 2013, and its primary focus is on the history of the Jewish community in Poland, which has a rich and complex history dating back centuries. The museum is situated in the heart of Warsaw, on the site of the former Warsaw Ghetto, providing a symbolic connection to the historical context it seeks to explore.

The excursion includes an organized short bus ride to the museum from the conference venue (and back) and a 2-hour guided tour through the Core exhibition of the museum.

Option #2: Guided tour visiting Warsaw's most renowned attractions

Costs: 40 PLN (around 10 EUR)

A walking tour to visit some of Warsaw's most renowned attractions, including the Old Town (placed on UNESCO's list of World Heritage Sites), representative palaces along the Royal Route, busy city centre, and architectonic symbols of communism, amongst others. Join the tour to get a basic understanding about Warsaw - a dynamic and diverse city with a very turbulent history.

Length: 4 hours

Distance: around 6 km
